Descriptions:

1 Material: It is made of 0.55mm thickness pvc coated tarpaulin.All the material we use is from PLATO CHEMICAL which is the best and biggest material supplier in China.PVC coated tarpaulin has 3 layers,2 layers pvc with 1 layer strong net inside,waterproof,fire-retardant and high durability.Besides,the material has been certificated by CE,EN14960,SGS,EN71,ROHS .

2 Workmanship: It will be stitched by sewing machine.Everywhere double stitching and all the key areas will be quadruple stitched.Under strict quality control ,you can get best quality inflatable with a long service life,at least 3 years.Around the bottom,there are many stainless steel D-rings for you to fix the inflatables onto something strong or heavy.

3 Inflating&Deflating:For this midium size slide,one 1.25HP blower is enough.We usually make 2 valves for the inflatables,one is for normal use,another one is for quick use.Besides,we also make a quick deflate entrance for each item to save you time on package.

4 Cartoon:For the cute cartoons on the slide,handpainting and digital printing are both available.If the printing area you need not big or the cartoon not complex,handpainting is good and cheap.But if for big printing area or complex cartoons,it is no doubt that digital printing is a good choice for you.

5 Shipment:If you only need this 1 piece,shipping it by express is the best choice.But normally,nearly all the clients would buy several pieces and ship them together by sea ,which will save you much money on shipping.

6 Useage :It is widely used for party rental,amusement park ,playground .If you rental one there ,it will cost you hundreds of dollars for one day.But if you buy one,it only cost you 950-1550usd for a midium size castle or slide and the service life of our inflatables is about 5 years if you use it well.

Advantages:

1 The brand of the material we use is PLATO CHEMICAL which is the best and biggest material supplier in China.The material has been certificated by CE,EN14960,SGS,EN71,ROHS .

2 All the items will be finished by advanced sewing or hot air welding machine,and all the key areas will be reinforced.

3 All the products can be customized,including material ,size ,logo ,printing ,design and so on

4 The material will be cut by auto machine not by hand,so we can offer you a fast delivery.

5 More than 10 years' rich experience in production and a lots of rich-experienced technical workers ,promise you can get best quality goods.

6 8000 workshop ,advanced imported machine and best quality accessories.

7 Before shipping,all the items will be texted strictly to make sure they work well.

8 We also have trade assurance on alibaba for each client for good quality goods and on time shipping.
