Our advantage:

1. Best material is very important for the games. All inflatable games are made by high durability fire-retardant PVC Tarpaulin, which has 3 layers, two coated side with a strong net inside. Our material has been approved by the SGS.

2. Customized OEM/ODM are welcome. We offer different size, color, logo, design, logo according to your requirement.

3. Digital print, silk print, or hand painting are available. We have top skilled worker to apply the artwork and printing. We imported painting machine, it prints quickly and in good quality. The quality of print ink also meets the standard of SGS. Furthermore, we make a liquid protecting film on the surface of digital printing, the liquid protection is also imported from abroad. The high level painting makes our product will not be sticky and color fade, but sustain for a long time.

4. We sew double stitching everywhere, with quadruple stitching at bottom stress point. Double stitching inside and double stitching outside, and to make sure the inflatables are strong and durable enough.

5. Certificated Blower:

- 1) CE blower spec. 220V, 50HZ, 1.5HP Euro plug, plug can be customized.
- 2) UL blower (110V, 60HZ) for USA area using, plug can be customized too.

6. Quality Control

We have professional design team, skilled workers and strict QC management, these will guarantee good quality for inflatables.

Why choice use:

Customers are the most important element to produce benefits for company, that is why King Inflatable established integrated service policy to satisfy customers' requirements with top quality and perfect sale supports.

1. Before sale 24 hours online to chat with customers, we will provide them real picture, factory video, design and customization service for Inflatable water slide.
2. During sale We inspect the production technology and line for customers every day, and take pictures and videos for customers every production steps.

3. After sale We provide free spare part for customer while delivery, and provide door to door installation service depend on customers' requirements. If you install it by yourself, we will provide installation video and guidance.
4. As a professional supplier of inflatable products, and holding lots of professional and experienced designers in our team, we have been providing our customers best ODM & OEM service from start to finish.
5. As a experienced exporter for years, we have been providing our customers the fastest and most economical shipping service to ship goods, to save time and save money for our customers.
