Product Description

Waterproof 5x4m Customised Birthday Parties Princess Palace Inflatable Jumping Castle

Description:

This Pink Bounce Castle by King Inflatable is constructed from 100% PVC. The bouncing surface, bottom are made from industrial strength 0.55mm PVC. This puncture-proof PVC material is approximately 5 times stronger than nylon used in lesser-quality units as it won't tear, fade, get moldy, and it is far easier to clean.

Our inflatable jumping castle are thickened design strip base to increase the jumping force, soft material around for added safety, soft color matching in order to have a friendly visual experience. You can choose product with roof or without roof is ok, we support customized services.

You can easily setup this multiplay jumping castle within 10 minutes. Whether it is during a birthday, anniversary or other festive events. The multiplay candy and ice cream world jumping castle is supplied compactly in one part and is therefore easy to transport to the place of destination. The inflatables are supplied including a blower, repair kit, carry bag and a clear user manual. This way you have everything together for a great experience.

Design and Material Selection

We focus on our design and production. Safety is our Mission. All the products are designed for your special requirements. More than 2000 different designs are available for you to choose.

Our main material is heavy duty commercial grade PVC tarpaulin purchased from Plato which is the best raw material in this field with high durability, UV-treated, fire retardant, water-proof & passed SGS certificate and Ripstop oxford fabric, strong & water-proof.

Powerful air pump with CE/UL certificates, repair kit, scraper, glue (if it can be shipped).

Different voltage will suit your usage in different countries.

110V/120V/220V/230V/240V

50HZ/60HZ

British Plug/ Australian Plug/ American Plug.

Not only do we focus on our products quality, but also we pay attention to other details like packing. Based on our rich experience, we always provide our customers the best packing so that it is much convenience & save much time for customers, and even it can avoid wrong delivery or damage from port careless or wrong operation.

Advantage:

Easy setup and convenient to be used in different places. a. Place the castle on a flat ground, preferably with a cloth (such as a carpet, plastic strip) under the castle and then unfold it. b. Find the air inlet of the castle, connect with the air outlet of the blower, and tighten the blower port, and then tie the spare air inlet with a rope. c. Turn the blower on and the castle will bulge within 2-3 minutes.

The colorful bouncer house is fantastic for the children's birthday party.

Excellent waterproof and fire resistant factors make itself durable in daily use.

Our inflatable bouncer durable and safely because it uses first class fire retardant Plato PVC tarpaulin and strong D-rings;

all our products are passed CE, SGS, EN71-2-3, EN14960, ROHS certification

on-time delivery and best after sell service. If there are any quality problem occurs during the period of warranty time, we factory will take full responsibilities to get it rework, if failed, we will make a new one for free.
