Product Description

Outdoor Transparent Inflatable Bubble Tent / Inflatable Geodesic Dome Tent For Camping

Description:

Whether you want to spend a long romantic night beneath the sky with full of stars or a chilled day with your children, this Bubble house could be a perfect choice to enjoy quality time while camping or in your backyard.

All of the fun gazing beauty at the world comes in a comforting way of your bubble tent, without any tension of insects and bugs.

Unlike other models, this exquisitely designed tent stands out regarding quality and design. This inflatable geodesic dome tent Marries innovation with futuristic visual appeal. It employs geodesic air beams created from durable PVC, which can be inflated in under 5~10 minutes. Its transparent walls provide a 360-degree view of the surroundings as well as late-night star gazing opportunities. Yet this geodesic dome tent also adds functionality to the durable visual appeal. It can even be set up to accommodate a small air conditioner.
