Product Description

Multiple Lanes Single Ladder Giant Inflatable Water Slide With Swimming Pool And Flying Slide

Product Introduction:

This is a giant multiple lanes outdoor water slide. This slide can be divided into two parts: the inflatable water slide and the inflatable flying slide. It combines water sports and land sliding in one product, which is suitable for more people with different playing methods. It is enough high, the speed you slide down is very fast, you feel you will fly-out to the sky! thrilling and high tension! how exciting and cool is it! It is a play paradise for both adults and kids! It is widely use for rentals, water park, business events and backyard fun etc.

High quality materials are necessary for producing inflatable products. All of the raw materials we used comes from PLATO the best material for inflatables in China. All of the raw materials we used have passed EN71-2-3, EN14960 testing report. All our products have professional fixation design, safety rules in front or side to remind or warning kids or how to play.

Advantages:

1. OEM/ODM are warmly welcome here. We offer different size, color, logo, design according to your requirements.
2. Best material is very important for the games. All inflatable games are made by high durability fire-retardant PVC Tarpaulin, which has 3 layers, two coated side with a strong net inside. Our material has been approved by the SGS.
3. We sew double stitching everywhere, with quadruple stitching at bottom stress point. Double stitching inside and double stitching outside, and to make sure the inflatables are strong and durable enough.
4. Digital print, silk print, or hand painting are available. We have top skilled workers to apply the artwork and printing. We imported painting machine, it print quickly and in good quality. The quality of print ink also meets the standard of SGS. Further more, we make a liquid protecting film on the surface of digital printing, the liquid protection is also imported from abroad. The high level painting makes our product will not be sticky and color fade, but sustain for a long time.
5. Certificated Blower:
 - 1) CE blower spec. 220V, 50HZ, 1.5HP Euro plug, plug can be customized.
 - 2) UL blower (110V, 60HZ) for USA area using, plug can be customized too.
6. Quality Control:

We have professional design team, skilled workers and strict QC management, these will guarantee good quality for inflatables.
