Product Description

Commercial Inflatable Inflatable rocket parachute inflatable parachute

Descriptions:

The feeling and rush of the rocket parachute is overwhelming and is guaranteed to be a big hit at any event. You will experience the true freefall effect felt by real parachute extremists yet safely inside the inflatable rocket parachute. When the rocket parachute is inflated and you're safely in your chair, the inner chamber is filled with air. The increased pressure build up inside the rocket parachute and lifts you to new heights.

Whilst up at the top, the air door is opened and the air pressure is released causing the rider to free fall back to earth on an inflatable floor. Be sure, you will hear screams of excitement as soon as the air door is opened!

This is the most fun you can have at any school event, corporate function or private birthday parties.
