The new Octopus Twister is here to rejuvenate the enjoyment of water sports.

The new Octopus Twister is here to give a new perspective to its riders, as they sit comfortably on the couch and have a direct view of the sea. Our previous model was quite innovative, a genuine marine game for adults and children with its rounded motion.

To maximize the comfort and enjoyment of riders, the new Octopus Twister has improved the backrest and has given the perimeter exterior view of the sea from inside and finally the driver and riders with a direct view will be able to communicate as much as possible and share their satisfaction.

The new Octopus Twister has a much better support position as well as better exterior viewing and ultimately gives riders maximum satisfaction. Special for your kids.....

OCTOPUS TWISTER

The new Octopus Twister is here to rejuvenate the enjoyment of water sports. The new Octopus Twister is here to give a new perspective to its riders, as they sit comfortably on the couch and have a direct view of the sea. To maximize the comfort and enjoyment of riders, the new Octopus Twister has improved the backrest so that riders can communicate as much as possible and share their maximum satisfaction. Specially designed product for all ages ..!

Why choice us

1.In order to maintain the high quality standard of each single product, King Inflatable only select material have EN71,UL,SGS certificates. Each product is double checked to ensure the design of products meet our clients' expectations and will be tested for waterproof, cold resistance, fire resistance and pressure resistance. We don't take any chances with safety and neither should you.

2.King Inflatable commit itself to being a company focuses on manufacture and products, shortening the distance between products and customers, reducing the prices of products, cutting out the agents. You could feel comfortable buying top inflatable products with a reasonable price from us.

3.You will get your products on time because of the following reasons: adequate material inventory, top automated equipment, masters with expert skills, perfect production line, your own account executive and reliable logistics company.

4.King Inflatable is truly lucky to have an inflatable design elite team,They can boast over 10 years' design and art experience and will turn beautiful idea to lives. Our outstanding achievement in inflatable water parks and inflatable amusement castles, deeply praised by customers over the years.

Packaging:

A.We arrange packing the Inflatables by strong tarpaulin bag, it is durable enough, so that your goods will not be frazzled during delivery process. In order to let you find your goods quickly, we will print our company's logo on the packing bags.

B. Packing Blower by carton , suitable for exporting, same as the inflatables, will make a remark on the carton for you find them quickly.

FAQ:

Q: Can you custom make a design?

A: Yes. You can choose a similar design from our price list to change or send your own design with detail requirements.

Q: What Material?

A: durable 0.65mm PVC

Q: How to inflate?

A: Can inflate with air by electric air pumps. It usually takes minutes to inflate per piece depending on design.

Q: Can print our logo on products?

A: Yes. You may send us high resolution artwork in JPG, PDF, AI or PSD.

Q: What happens if it's punctured?

A: The damage can simply be repaired by our repair kit (material patches and glue) or by welding machine if necessary.
