Description:

You can see the starry sky of the tent, using a circular arc shape made of a steel frame structure, which is stronger than ordinary tents, windproof and beautiful. You can see the scenery with no dead ends outside, because the steel frame structure is very strong and can be hung with star lights and other decorations. It is very suitable for outdoor restaurants, outdoor camping, events, celebrations, and holiday decorations.

It can also be used as a hotel tent for accommodation. The top is covered with half of white PVC to ensure that the indoor light is suitable for rest and the outdoor scenery can be seen through the transparent PVC. The curtains can be closed when resting, which is very practical.

Steel tents can also be used as small houses for pets. We have a customized size, 2.5 meters wide and 1.8 meters high. Even large pets can get in without worrying about the external fabric being damaged by pets. It is easy to replace.
