Product Description

Kids Inflatable Bounce House Fire Truck Themed Jumping Castle PVC Tarpaulin

Kids Inflatable Bounce House Fire Truck Themed Jumping Castle Description:

This product is a themed castle jumping bed in the shape of fire truck. The color of this product adopts a lot of red to imitate the color of fire truck, so that children can have a certain understanding of fire truck in the early stage. A combination of slide and trampoline design for more gameplay. At the same time, a super large wind air blower is used to inflate during use to ensure the fullness of the shape and resist the pressure caused during use.

This product can be customized to the size you need. The size marked on the product can be provided for reference. Please contact us for communication before purchase
