Product Description

Kids Inflatable Bounce House CandyThemed Jumping Castle PVC Tarpaulin

Descriptions:

The product is a candy-themed castle, which adopts a candy-like color scheme. In front of the house, two sugar waves are added to make the shape more consistent with the theme. The castle contains slides, trampolines and climbing ladders in a variety of ways, suitable for children. It is equipped with a set of super wind air blower that are constantly inflated to ensure the shape is full and resist the pressure of trampling when used.

The product can be customized according to the size you need. The size in the form can be referenced. If you need customization, please contact us before placing an order
