Product Description

PVC 0.55mm Customized Outdoor 21ft Red Fire Truck Inflatable Obstacle Course For Kids

Describe :

If you're looking for a commercial inflatable obstacle course that is different from all the others, then look no further than the Fire Truck Inflatable Obstacle Course. This unique inflatable unit combines all the thrills and the same excitement of an extended length obstacle course, into a compact unit that can fit into tighter areas like high school gymnasiums. Participants start out on the right of the unit, tearing through various obstacles, crawling over others, before turning the corner and heading up a rock climb wall, then down the slide for a big photo finish! The Firetruck Inflatable Obstacle Course offers a series of challenging physical activities including running, climbing, jumping, crawling, and sliding. With its gender-neutral colors, you can be sure that this unit is going to be a hit at any boys or girls event, doubling your earning potential.
