Product Description

21ft Outdoor Rental PVC Monkey Theme Inflatable Obstacle Course For Events

Describe :

If you're looking for a commercial inflatable obstacle course that is different from all the others, then look no further than the Monkey Theme Inflatable Obstacle Course. This unique inflatable unit combines all the thrills and the same excitement of an extended length obstacle course, into a compact unit that can fit into tighter areas like high school gymnasiums. Participants start out on the right of the unit, tearing through various obstacles, crawling over others, before turning the corner and heading up a rock climb wall, then down the slide for a big photo finish! The Monkey theme Inflatable Obstacle Course offers a series of challenging physical activities including running, climbing, jumping, crawling, and sliding. With its gender-neutral colors, you can be sure that this unit is going to be a hit at any boys or girls event, doubling your earning potential. It is made of high-quality material of 0.55mm PVC tarpaulin and it is non-toxic. With a technical design, you needn't worry about the problem of safe. It is a good choice for weekends and holidays. The Inflatable obstacle course is suited for all ages of children. Easy to install, inflate and deflate.

Applicable field:

big event /kindergarten /family center /party amusement park /online shop, Rental business, amusement park, parties, parks, playing center, outdoor entertainment, backyard fun, and any other business functions.

Advantages:

- * Reinforcement belts webbing reinforces for sensitive parts.
- * Small hole mesh/nettings to prevent children's fingers from putting through, soft, comfortable, safe, and durable.
- * Double stitching everywhere.
- * Quadruple stitching for the stress-bearing parts and the joint parts.
- * Reinforcements for zipper joints.
- * Zipper cover for quick deflation, with hooks & loops fastener to disperse the stress for zippers.
- * Anchor rings for safety concerns.

FAQ:

Q: How do you do reinforcements and make a high-quality inflatable obstacle course?

A: We use professional commercial sewing machines, with strong threads to double stitch everywhere, quadruple or sextuple stitch for sensitive areas, reinforced strips at joints. We also use professional welding machines, high-frequency machines, automatic cutting machines, and digital printing machines to ensure strength, durability, and longevity.

Q: Can add logo printing on the Inflatable obstacle course?

A: Yes. This is for free unless the printing area is big or the logo is customized and complicated. You may send us high resolution artwork in AI, JPG, PDF, or PSD format.

Q: How to blow up an inflatable obstacle course?

A: By electric air blower (s) which are included, we can match suitable power and plugs for you. It usually takes minutes to blow up depending on the design. Please make sure blower air hoses and hooks & loops fastener zipper openings (for quick deflation) are closed when in use.

Q: Can we use an Inflatable obstacle course in winds?

A: Although we make anchoring tie-down D rings (usually 4 to 15 rings for every ground corner and higher points, depending on design) for stability, please use it depending on the actual scene, we do not recommend use in strong winds more than 35Km/h.

Q: Can we use the Inflatable Obstacle course in the rain?

A: We do not recommend especially in heavy rain.

Q: Production time?

A: Production time for an order usually takes 7- 20 days upon receipt of deposit. However, it can be longer or shorter time, depending on design (big or small size, simple or complicated, in stock or not), order quantity (big or small), time frame (busy season or low season) when you place an order, etc
