Why choose us:

- 1).Guangzhou King Inflatables company was established in 2002 as one of the leading inflatable manufacturers in China for producing various inflatable products and exporting to more than 70 countries all over the world .Our company have many customers with good cooperation in the world market and earned a good repulation by our best quality and professional services.
- 2).All our materials of this product are purchased from Plato factory, Wibit special material -- Wibit 0.9mm PVC Tarpaulin , more expensive than general 0.9mm PVC Tarpaulin .
- 3). Heat sealing machine
We use advanced Heat Sealing Machines to ensure our inflatable products can handle high air pressure and secure for use.
- 4). Sparring is added on the bottom base
- 5). Metal rings for fixation
Each product will be equipped with thick D rings or O rings to be fixed on the ground and remain steady
- 6). Considerate tight packages
We provide an appropriate size package bag using the PVC material respectively to make sure the goods will be in good condition when it reaches you even after a long shipment.
