Descriptions:

This is a fun water game toy, people can climb to the mattress and climb through the tube obstacle. It is made from 0.9mm PVC tarpaulin which is the best material for inflatables. Our skilled workers reinforced all stress seams and weak parts. It is hooked around the bottom with ropes to tie it in water which will ensure it is stable for playing. It is a little hard for kids, because it is slippery, climbing is difficult, but just this point will attract more kids for challenging.

Applications:

Inflatable water toys can be widely used for summer water park, man-made small river, and water game parks, sun cold paradise amusement water park, for outdoor use, rental or resell business.
