Descriptions:

Inflatable water park is a new combined inflatable game which is usually combined with inflatable slide and water pool. People can climb into the water pool by ladder to have fun in water; also you can climb to the slides by the separated air bag and steps then you can slide all the way down with water, very fun and exciting! Inflatable aquatic park suits for both of adults and children, adults can swim in the big water pool and children can play the equipped water games in pool like water ball, water boat, bumper boat, water totter, water roller and so on. Inflatable water world is very popular during summer for all people who like water sports leisure; it is the hottest inflatable product for you to make profit in summer.

Our Workmanship:

1. Inflatable product can be customized (designs and color matches) according to different places. Its maximum tolerance of low temperature can reach -40°C.
2. Good stitching to minimize air leakage and increase tension between sewing parts.
3. Safe enough to keep you stable when sliding
4. Knitted by highly intensified nylon thread
5. Suitable glide slope
6. We pay attention to every detail, each stitching and cutting is made manually, from design to artworks, we try our best to satisfy different needs of different children and adults and make our customers have great fun.
7. Inflatable items are packed with strong PVC tarpaulin bag, so that your goods will not be frazzled during delivery process.
8. blower and air pump are packed with carton
9. We can arrange shipping, by sea, by air or by car as you need. Besides, if you need door to door delivery, express is the best way. You just provide your address details, we will quote shipping cost as the best shipping way. Usually, 3-40 days' delivery is ok according to the shipping way and your location.

Our Services:

When you visit our website and find your favorite styles, you can send enquiry to us. If you can't find the inflatable products you want, please tell us, online or email. We can guide you to choose, and we can recommend suitable item according to your description.

Once you chose styles, we will quote. Besides, we will quote shipping cost. If you are satisfied with all conditions and place order, before production, we will send sketch design for you to confirm. Certainly, we will keep you in touch with all our production proceedings and send pictures when we finished production.

Then we will arrange shipping and send you essential documents to help you clear Customs. When you receive the goods and don't know how to use, please contact with us immediately. We can tell you how to operate or send you a video.
