#### Descriptions:

This giant water park maninly consists of 4 big parts:4 swimming pool and 3 water slides.

Pool:Twosize we make is 9.6m diameter and 6.4m diameter.It is made of plato 0.9mm pvc tarpaulin,strong and durable.Meantime,the round pool is the best style to aviod the damage compared to other shapes and all the sides are by hot air double covered to make sure it can be used for many years.

Slides:The slide is double stitched and made of 0.55mm pvc tarpaulin.You can choose these styles ,also you can send us your design to build a water park.

#### Our Workmanship:

1. Inflatable product can be customized (designs and color matches) according to different places. Its maximum tolerance of low temperature can reach -40°C.
2. Good stitching to minimize air leakage and increase tension between sewing parts.
3. Safe enough to keep you stable when sliding
4. Knitted by highly intensified nylon thread
5. Suitable glide slope
6. We pay attention to every detail, each stitching and cutting is made manually, from design to artcrafts, we try our best to satisfy different needs of different children and adults and make our customers have great fun.
7. Inflatable items are packed with strong PVC tarpaulin bag , so that your goods will not be frazzled during delivery process.
8. blower and air pump are packed with carton
9. We can arrange shipping, by sea, by air or by car as you need.Besides, if you need door to door delivery, express is the best way. You just provide your address details, we will quote shipping cost as the best shipping way.Usually, 3-40 days' delivery is ok according to the shipping way and your location.

#### Our Services:

When you visit our website and find your favorite styles, you can send enquiry to us. If you can't find the inflatable products you want, please tell us, online or email . We can guide you to choose, and we can recommend suitable item according to your description.

Once you chose styles, we will quote. Besides, we will quote shipping cost. If you are satisfied with all conditions and place order,before production,we will send sketch design for you to confirm. Certainly, we will keep you in touch with all our production proceedings and send pictures when we finished production.

Then we will arrange shipping and send you essential documents to help you clear Customs. When you receive the goods and don't know how to use, please contact with us immediately. We can tell you how to operate or send you a video.
