10.Quality Warranty

*2 years .

*Each product would be inflated and tested and take photo to confirm before delivery.

*We will not only guide you to repair all the life of the inflatables,but also if the inflatables broken within 2 years due to the non-artificial factors,we will make compensation for them accordingly.

11. Easy to set up and take down.

13. Package:We spread air out to help deflation before roll the game, then put a band belt outside to tie it. We will use PVC tarpaulin bag which is the same material as the products to pack the units. So the packages will not be frazzled during the delivery. For big units, we will make extra handle band outside of the packages. In order to let you find your goods quickly, we will paste a mark paper with your order number.

14. Deflation: We make enough air out zipper for each game according to the requirement of EN14960. So they can help you deflate the inflatable quickly. We do reinforcement for all the zipper joints, and above the zipper, there is a zipper cover by velcro material which is help to disperse the zipper's stress. We may also make a inside PVC materials to protect the zipper.

15.Our advantage:beautiful color, attractive design,high quality and competitive price !
