Product Description

0.55mm PVC Purple Wipeout Inflatable Obstacle Course For Commercial

Product Descriptions:

Catering for up to 6 people at any one time, the revolving arm of the Wipeout will certainly keep you on your toes. Testing your jumping and ducking reflexes, the Wipeout is guaranteed to entertain players both young and old for hours on end. Each player stands on their podium and either ducks or jumps to avoid being knocked off their podium. The beam rotates up and down and goes both clockwise and anti-clockwise. The last person standing is the winner. The Inflatable Wipeout is ideal for large groups or field days, it's also great for corporate team building days. With six players allowed at a time, tournaments can easily be made with an overall winner!!

The Advantages

The Advantages of Funcity inflatable toys are as follows:

1) Best Sewing Machines:

We use high quality professional inflatable sewing and weld machines, which are specialized in sewing 18oz Vinyl. At the same time, we use 12 lines high strength bundy line to construct each inflatable product.

2) High Quality Material:

Durable PVC Tarpaulin (waterproof and fire retardant)

3) Fixation:

Metal D-clasp ring anchors at the bottom in order to install tent tightly and resist the wind.

4) Tight and safety Package Bags:

We pack inflatable games in tarpaulin bags and the air pump packed in durable export cartons so that the packages will not be frazzled during delivery process. In order to let you find your goods quickly, we will paste a mark paper with your order number.

Our Service:

1. Professional service. We are a factory engaged in the air mold industry for more than seven years, with professional designers, production, sales and after-sales teams, can provide you with professional product quality advice.

2. Good raw materials. All the material we use is certified and good quality.

3. Product testing. For all finished products, we will carry out quality inspection, the quality must be qualified, and the customer's approval will be shipped. For product safety issues, we will never take risks.

4. OEM/ODM. We have professional product designers and production workers who can customize the color, size, style and details of the products according to your requirements.

5. Free 3D Design. If necessary, we can provide you with a free 3D rendering before production.

FAQ:

1. What's your MOQ of the product?
