Product Introduction:

Riding the Water Banana is the ultimate in family fun. All ages can enjoy the ride. All you have to do is sit and hold on. Designed with large main tubes and side stabilizing pontoons, the Water Bananas are engineered for a safe and thrilling ride.

Advantages:

1. The banana boat will not be welded just well, because we use imported welding machine which can keep a stable welding temperature.
2. Reinforced strips both for inside and outside, the welding width is 3cm which makes the products more sealed and durable.
3. Commercial grade and durable 0.9mm PVC tarpaulin.
4. Hot air sealed, air tight, it can last for a period of time once inflated, for rider convenience to enjoy the entertainment.
