Custom Inflatable Advertising Archway / arch is an inflatable structure that is inflated by an external cold air inflation fan connected to the arch via a tube. Inflatable arches are commonly used in outdoor promotional activities, events, sports teams and organizations. Multiple design capability make the arch a very versatile component for multiple event and promotional initiatives.

How to clean a Inflatable Advertising Archway

To wash:

Detach the fabric from the fan/blower.

Spray soiled area with pre-wash remover.

Use non-chlorine bleach.

Set the cycle to gentle cycle on cold with minimal rinsing and one load larger than it actually is (i.e. small load should be set to medium load).

Relevant Products:
