Detailed description:

- 1, Water proof and fire resistant, that makes it can be used in the rainy and sunny days and satisfy all your romance or imagination ideas!
- 2, **double wall tube** makes **much more Water Capacity** water balls and kids bumper/paddler boats, be used inside the pool, you also can have a nice swim time with your families, friends or love!
- 3, valve with electric pumps to inflate it, it be inflated one time then it can last for a period of time, air tight.
- 4, Since we are the maker of these fine pools, we can make them anyway you like, any size you like, any shape you like. We can get you the above ground pool that you are looking for! Whatever you want to settle, just contact us to communicate the idea. And you don't have to settle for your ordinary shaped portable pools. If you want something unique or out of the ordinary... we can do that too. We are the makers of Dream Pools.
- 5, The Inflatable Swimming Pool is made from PVC Tarpaulin which is waterproof, fire retardant, and friendly to the environment. Our large inflatable pool for water balls allows you to play inside safely due to its soft and flexible edge. This inflatable pool can be applied widely to home use, amusement park, indoor and outdoor playgrounds.

Advantages:

- 1, Reinforced welds, double layers 1.3m depth
- 2, no electricity required, the material is fire-resistant that can provide the security.
- 3, full colors are available
- 4, can print logos, banners or artworks
- 5, durable, 5-8 years usage life span
- 6, once broken, it's easy to repair, get it fixed and working again.

Maintenance :

Pools make it incredibly easy to enjoy all of the benefits of a quality pool without any of the installation costs and hassles. All you have to do is lay out the pool on a flat surface, fill the inflatable ring with air, then fill the pool with water. The ring rises as you fill the pool, pulling up the rugged walls with it, making setup a breeze!

the pool will quickly bring endless summer fun to your own backyard with its easy setup. Let's escape from the summer!
