## Product Description

### Inflatable Ocean Pools Inflatable Swimming Pools For Kids Adults

1.About Inflatable Ocean Pools : If you or your children happen to be afraid of fish, jellyfish or any of the other various creatures that lurk under the water while swimming, don't let your fear of marine life stop you from enjoying the ocean. Then it's time to get an ocean pool! This is a new product from King inflatable, an inflatable pool that provides an enclosed swimming area in a lake or ocean.

2. It basically gives you your own instant pool in the ocean or lake. You can easily set it up in any body of water it has a large inflatable rim that floats on the water where you can hang out or walk around while the interior of the pool is enclosed with a mesh liner. In this way, all the water from the lake or ocean passes right through and soon fills the ocean pool. It will stop any fish, creatures, weeds or anything else that swims in the water.

3. So you don't have to worry about you getting stung by jellyfish or coming in contact with other creatures underwater, you and your friends can enjoy swimming and playing in the water.

4. We offer high quality products, complete accessories, standardized packaging, and after-sales service.

**If you need customization or wholesale. Please contact us to get a good price**
