Advantages

Superior Strength – All inflatable games are made by high durability fire-retardant PVC Tarpaulin, which has 3 layers, two coated side with a strong net inside. The flame retardant meet BS7837. This material has improved by the SGS. extra heavy-duty, multilayer stitching is used throughout, further strengthening this tough bouncer.

Oversized Bouncer Room With Roof – more than 15ft jumping area with obstacles and roof. Kids can bounce and run around all over in sunny, sprinkle or snowy days.

Mesh Windows – Large windows made rip stop netting won't tear like cheaper mesh and they allow children to be easily and clearly supervised.

Easy Takedown – Zippered flaps allow the bouncer to easily be deflated and taken down for storage after the day of playing has ended.

Blower Available. – An upgraded, 980Watt, 1.5 horsepower UL-Listed blower with grounded power cord and covered on/off switch for added protection is included (Always use GCFI-protected receptacles/circuits and take caution to keep blower and power cords in dry locations). The blower is sturdy, durable, provides maximum air flow, and has been constructed to endure long hours of use.

Accessories – Includes instructions, a repair kit with patches, a 4 ounce bottle of glue, and four 12" duty ground stakes to secure this bouncer to the ground.

Quality – Inflatable is constructed entirely from high quality, industrial strength materials.

Lead Free – All materials comply with the Lead Free Toys Act.

Customized - You can make your own design to meet your own requirements, your own size, color, or artworks, we can do digital printing, silk printing or hand drawing of logo or pictures. what you want, what we produce.
