Product Description

Clown Bouncy Castle Rentals Bouncer Multiplay Child Party Inflatable House With Slide

Bouncer Multiplay Clown, Circus themed children's party

Are you looking for a fun and challenging attraction to entertain the children at your party or event? Then we can recommend the King Inflatable Play Cushion! The play cushion not only offers a lot of challenge but also looks very nice! At the front you will be welcomed by a mega clown!

Then Bouncy Castle Multiplay Clown is the perfect addition. There is a clown who is going to stir things up, there is a beautiful tent, then combine this with the Bouncy Castle Multiplay Clown. In which the children can all give their own show. In the play cushion you will find various obstacles where the children can enjoy themselves. With this bouncy castle the children will have the time of their lives. With climbing and sliding elements. You can even combine this multiplay bouncy castle with Slide Clown.

The play cushion comes with an electric fan. You can easily set up the play cushion yourself by means of the fan. Do you have any questions about one of our attractions? Contact the customer service of Bouncy Castle Rental. The customer service employees are happy to give you honest advice for your party or event.

King inflatable has been the bouncy castle specialist in the China for more than 10 years. Hundreds of children's parties have become a success in recent years with King inflatable bouncy castles. Thanks to our experience, we can also guarantee that we will also make your children's party a success. If you have any questions, please contact one of our employees. We are happy to advise you and answer all your questions.

King inflatable does not only rent inflatables. In addition to bouncy castles, the obstacle courses are also very popular and with a unique range of attractions we can also provide you with attractions such as Inflatable dry slides and Inflatable water parks.

Need for advice:

We can imagine that you have lost the overview after seeing our range. Fortunately, we do have this overview and it is our job to advise you in this. That is why you can contact us by phone or email with any questions you may have.
