Descriptions:

This is a perfect alert and ad buoy, it good shape with bright color can catch eyes all around it. Its material is Plato PVC tarpaulin with anti-UV which is the best raw material for outdoor inflatables. The detail characters are as follows.

- 1, for outdoor use, rental or resell business.
- 2, optional colors or customized.
- 3, made from heavy duty, UV resistant, fabric reinforced 0.65/0.9mm PVC tarpaulin.
- 4, commercial quality: used for aquatic resorts, beach and backyard swimming pool etc.
- 5, can print logos, banners or artworks.
- 6, with pump to blow up it for one time, it can work at least one month.
- 7, safe, no injury or hurt to people.
- 8, easy assemble, move, put it away, in different occasions.

Advantages:

- 1) We make reinforcements everywhere for the inflatable water toys, so they are durable, reliable.
- 2) Material: We use the best 0.9mm or 0.65mm PVC tarpaulin for inflatable water toys. the best material is very important for inflatable water toys. All inflatable toys of King Inflatable are made by high durability fire-retardant PVC Tarpaulin, which has 3 layers, two coated side with a strong net inside. The flame retardant meet BS7837. Our material has approved by the SGS.
- 3) Hot welding machine: For the sealed water toys, a perfect welding is very important. We have advanced welding machine and skilled workers in inflatable industry, these will ensure to produce a perfect heat sealed product.
- 4) Printing: Digital print, silk print, or hand painting. The high level painting makes our product will not be sticky and color fade, but sustain a long time. And it print quickly and in good quality. Further more, we make a liquid protecting film on the surface of digital printing,.
- 5) Blower/Pump: CE air pump: 220V; UL air pump: 110V, suitable plugs for different country.
- 6) Strong package bags: We spread air out to help deflation before roll the inflatables, then put a band belt outside to tie it. We will use tarpaulin bag which is same material as the games to package the units. So the packages will not be frazzled during delivery process. For big units, we will make extra handle band outside of the packages. In order to let you find your goods quickly, we will adopt uniform King Inflatable logo marked PVC bag pasted inflatables photo with your order number.
- 7) Accessories: Repair kit(material and glue),air pump,carry bag.

Applications:

Inflate it, put it in the water tie it to set a area.Yellow / Orange Inflatable Buoys For Water Park Suit , Lead Free Floating Toys can be widely used for summer water park, man-made small river,and water game parks, sun cold paradise amusement water park, for outdoor use, rental or resell business.
