Applications:

1, Turn on the blower to inflate, turn it off to deflate, deflate zipper will make it faster.
2, design for 3-10years old kids, Adult Supervision of children in a bounce house is required at all times.
3, Many D rings around the bottom and top as anchors with rope to tie a weigh, in case of strong wind.
4, The slide is tall, long and wide, Slide to the bounce area with obstacles
5, 26ft Inflatable Camelot Castle Inflatable Bouncy Castles With Slide N Obstaclesfor birthday gift or Rent / Hire business.

Advantages:

• **Superior Strength** – All inflatable games of Topfun are made by high durability fire-retardant PVC Tarpaulin, which has 3 layers, two coated side with a strong net inside. The flame retardant meet BS7837. This material has improved by the SGS. Additional belting reinforcement is used at key stress points.

• **Reinforced Double stiches:** we all make double stitches with 12 strands nylon threadat all the joins. so that can reduce the air leakage and Extend the life time.

• **Oversized Jumping Mattress with obstacles** – more than 15ft jumping area with obstacles. More than 10 kids can bounce and run around all over in it.

• **Easy Takedown** – Zippered flaps allow the bouncer to easily be deflated and taken down for storage after the day of playing has ended.

• **Long slide to the bouncer** – more than 4 metres long, The slide is tall, long and wide, Slide to the bounce area, and contains walls on each side for protection. so rather than accidentally falling and bouncing out of the house and onto the ground and/or surrounding objects, the child can more safely slide down.

• **Accessories** – Includes instructions, a repair kit with patches, a 4 ounce bottle of glue, and four 12” heavy duty metal ground stakes to secure this bouncer to the ground.

• **Commercial Quality** – Inflatable is constructed entirely from high quality, industrial strength materials.

• **Lead Free** – All materials comply with the Lead Free Toys Act.
