## Product Description

### Christmas Giant Inflatable Snow Globe 10 Ft H Outdoor Commercial Inflatable Snowball Transparent Christmas Decoration

Make a snowstorm, blizzard or flurry with the piles of super light and fluffy artificial snow and experience the magic, merriment and romance of a winter wonderland — any time of the year with our giant inflatable Snowglobes. The Snowglobes can be customised to resemble any environment — a beach, city scape, underwater world, forest, alien landscape.

Our huge inflatable snow globe can cater for up to 6 people at once! Once inside, both kids can enjoy playing in the artificial snow. This is something entirely unique for your Winter themed event or Christmas party and creates a great photo opportunity. We can also arrange to customize the rear backdrop to include your own brand, design or logo.

This is a great attraction for Shopping centres and Corporate events. We come to your event, inflate the snow globe, fill it with fake snow and let the fun begin!

### FAQ

If you have a question that this page has not dealt with, please contact us and we'll be in touch.

#### --DO I NEED A CONSTANT POWER SUPPLY?

All of our inflatables need a continuous power supply.

The exact power requirement for each item is stated in its spec sheet. we will supply the right power requirement fan.

#### --WHAT DO I GET WHEN I BUY AN INFLATABLE?

- \* Blower(s) with a safety steel cable
- \* LED light bulb or strips if requested
- \* A hanging/ rigging solution/ropes if required. Either with clamps to attach the inflatable to scaffold or trussing, or steel cables to run to a rigging point
- \* Sand bags for ballast if required

#### --CAN I USE AN INFLATABLE OUTSIDE?

Most of our inflatables are suited for inside and outside use, however they need to be carefully secured as described in the installation instructions. If an item is not suitable it will be mentioned on the item page and on the price list.

#### --HOW NOISY ARE THE BLOWERS?

We use different types of blowers which range between 70-90db, this is similar to an air-conditioning system. In most large venues

this will be barely noticeable. We have installed inflatables at gala dinners, mediation events without issues. In general we advise the public to be at least 3m from the blowers.

#### --CAN I INSTAL LIGHTS WITH THE INFLATABLE?

The inflatables can be easily illuminated from within and upon request, we can provide internal lighting. LED single light bulb which can be installed on the blower. we can also instal led strips inside the inflatables.

#### --HOW DO I INSTAL AN INFLATABLE?

Our inflatables are very simple to install. In most cases simply follow the steps below:

- \* Install the blower in the inflatable
- \* Attach the blower to the rigging point/ trussing, or place on the ground
- \* Plug in the blower
- \* Once inflated make sure the inflatable is secure, tying off extra rigging lines if needed (outside use mainly)

\* Done!

For each individual Item we provide a brief installation manual.

**--HOW TO BUY YOUR INFLATABLE?**

TT transfer, Western union, Trade assurance are all ok for us.

First contact us

We will provide you with a quote for an inflatable or your own design. If you are interested in requesting a quote please include the following information:

- \* The exact scale
- \* The design (drawn in 2d or 3d if possible)
- \* The deadline

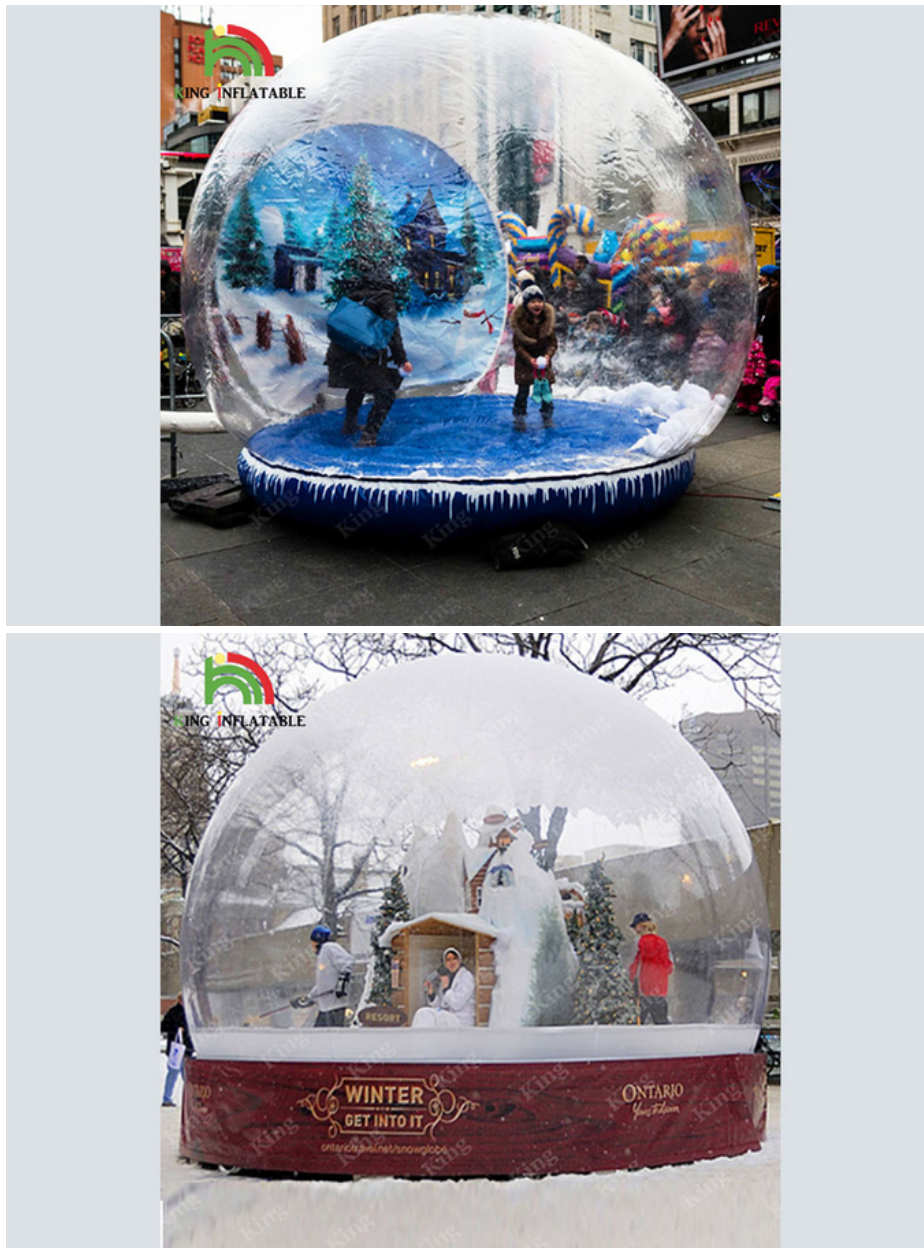

and we will make 3D mock up for your confirmation before production.

after details confirmed, 30% as deposit to start order, when goods ready, we will take photos for your confirmation, then balance and shipping.

**--DO YOU ARRANGE TRANSPORT?**

Inflatables are in most cases relatively small and lightweight to transport when deflated. We arrange the shipment by sea, by air or by express door to door to your hand.
