Product Description

Inflatable Bouncer Castle Combo Commercial Kids Jumping Castle Bouncy House For Party

In this charming rocket castle, kids can bounce, climb and slide. It features a fun exit slide and a shaded side playroom, which will bring much happiness to your children and they can share precious playing time with their friends! Most of all, the bounce house is super easy to set up.

There is also one oxford carrying bag included for conveniently storage.

Besides that, our bounce house is made by extraordinarily heavy-duty puncture proof 420D oxford materials, while the bouncing area is made by exclusive 600D Oxford to strengthen its ultimate durability.

Considering kids will rush to slide down again and again, we have enforced all stitching areas to ensure years of sliding fun.

Tall safety walls surrounding the jump area will keep your kids safe while jumping and allow for maximum ventilation.
