### Description Of Inflatable Bubble tent

For the past few years, these awesome bubble tents have become one of the most sought-after around. They bring a whole new meaning to the word 'glamping' allowing you to reconnect with nature and stargaze with no obstructions, making for the perfect one or two night stay in nature.

Perhaps it goes without saying that these bubbles are best enjoyed in the warmer months to avoid the epic chills that sweep the country in the winter time.

If you're looking for an inflatable bubble tent then you have come to the right place. We are going to review the best tents currently on the market, in particular, the Bubble Tent !

Inflatable bubble tent is favored for its wide application for advertising, camping, holiday leisure outdoor activities, trade shows, exhibitions, promotion, outdoor shelter, etc. Usually this kind of tent is unsealed and it has very nice out looking. All our inflatable tents can be customer made, we offer best quality. Our inflatable bubble tent is very easy to be installed and take down to move around, it is much cheap than solid building.

### Free Design

Offer custom design for bubble tent.

- 1) Color choose: transparent, half transparent or with color.
- 2) If you need window curtain and light, we could custom D-ring inside for you hang them, but we don't, window curtain and light. you could buy them in your there.
- 3) You could install airconditioning, but we don't offer air conditioning, only could do a air conditioning 3D design before production

All design of our bubble tents, like size, color etc, can be customized. Our designer team can arrange 3D designs for your confirmation before production.

### Steel frame

For bubble tent, steel frame will be strongly recommended on all structure of tunnels and bubble base outside; With steel frame, it will be much easier and convenient for people to go inside, and people don't have to worry the collapse of the tunnel or even the bubble.

### Living room

For multiple-bubble tent, treating bigger bubble as living room, and designing it to be full clear or just top clear with half white color, you can put your furniture inside, e.g. air conditioner, desk, chair, sofa etc. When sitting towards the transparent bubble, with a cup of coffee and a book, you'll have a grand view in such a glamping bubble suite, and will get a fantastic relaxation you never have.
