Product Description

Inflatable Wipeout Course Backyard Army Blow Up Bounner Obstacle Course Rental

Description Of Inflatable Obstacle Courses

65ft Bouncer Obstacle Course
65' L x 13' W x 14' H | POWER: 2 SEPARATE - 20amp circuit | AGE: Kids and Adults

An an obstacle course that has a bouncer! You can also add an art panel to the obstacle course to match your party. We have hundreds of themes for you to choose from or rent with its beautiful colors alone. The 65' Mega Bounce Obstacle Course will

Our Product

entertain young and older kids for hours of energetic fun! You will experience pop up-obstacles, tunnels, walls, slides and other challenging obstacles. If the kids are too small to run the course, they can bounce in the house. We love this rental as it accommodates kids of all ages.

Welcome to " **KING INFLATABLE** "! This inflatable obstacle course is great for all ages. It has an obstacle course, bounce house, and double slide. We use 0.55mm plato PVC tarpauline to make this product, it meets the EN71. certificate for the most advanced PVC tarpaulin material, and the product is checked for water resistance, fire resistance, cold resistance, and pressure resistance. Kids must love this jungle inflatable obstacle course, for the bouncy house, we added 10cm wide protection strips on each 2cm wide side of all the jumping surface stitching, at the bottom joint and at each corner, so when kids bounce on the product, you don't need to worry about safety at all, the bottom can withstand the kids no matter how they play.

What do we offer?

Quality assurance. We believe that the best quality and safety is the primary condition for your choice of products. Each of our products is made of plastic materials that meet EN71 , UL and other certifications. All products are tested for water resistance, fire resistance, cold resistance and pressure resistance. We will not let you down.

Competitive price. We focus on producing good quality products with reasonable price for a long time. We try our best to provide the best products and the best price for each customer. We know that this is the best way to cooperate and win together.

Design Team. Our designers are not only the most professional, but also have rich design experience, we believe that every design we make for you will exceed your imagination.

Customer Care: We will provide you with first-class service, whether it's a sample or a big project, we will provide professional advice and patient service, any questions or requests, don't hesitate to contact us, we will reply at the first time.

Packing method.

Spread the air out to help deflate the air, then tie the straps on the outside. We will use tarp bags of the same material as the game to pack these units. Therefore, the packaging will not be messed up during delivery. For larger units, we will make extra handle straps on the outside of the package. In order for you to find your shipment quickly, we will affix a marking paper with your order number.
