## Product Description

### Inflatable Bouncer House Outdoor Party Child Bouncy Castle Inflatable Bounce House

#### Applications:

Inflatable giant jumping castles are widely placed in parks, squares, schools and some other rental or play centers; kids can play together and have fun! Inflatable amusement park/inflatable giant jumping castle is designed and manufactured according to children's character and hobbies. And the needs of adults and market demands are also taken into consideration when designing and manufacturing.

#### Jumping Castle Cartoon Airbrush - Bouncy House

This bounce house rental is perfect for your carnival or Disney cartoon themed event.

Jumping in our bounce houses is a safe, healthy activity that is a disguised entertainment for kids of all ages. They will have endless adventures inside the bounce house, while the exterior of the bounce house will delight all guests with its bright, fun colors. Safety features include fire protection and large mesh window panels on all four sides for constant air circulation and visibility.

Our bounce houses can easily be set up on grass, concrete, asphalt, or even in an auditorium or gymnasium. To request an order for this bounce house, please contact us and we will get back to you shortly.

#### FAQ:

##### Frequently Asked Questions.

##### Q: Can adults enter your inflatables?

A: Of course they can. Our moonwalkers, combos, slides and obstacles are built to withstand adult use. In fact, you might be surprised at how many adults use our inflatables.

##### Q: Do you ship by sea, land or air?

A: We do both. It just depends on your budget and which shipping method you want to choose for yourself.

##### Q: Do you pay for shipping or does the customer pay for shipping?

A: Yes, the customer pays the shipping costs. The prices in our catalog are for our items only. However, we receive an average discount of 80% from the shipping companies we work with, which we pass on to our customers.

##### Q: Can we customize the units with the color of our choice?

A: Yes, you can choose your colors at no additional cost.

##### Q: What is the shipping cost?

A: Shipping costs are usually around \$60-\$80 for a regular size bouncer shipped to major US and EU ports.

##### Q: How many people does it take to install and pick up a regular size inflatable bouncer?

A: One person can easily operate a regular 13'x13' (4mx4m) sized bouncer.

##### Q: How long does it take to transport?

A: Usually 25-30 business days, but faster collection options are available for an additional fee.

##### Q: If these inflatables are not in stock, how long does it take to make them.

A: Large items like inflatable obstacle courses and water slides can take 7-10 days. Ordinary bounce houses and combos usually take 5-7 days. Custom orders take about 7-12 days, depending on style, size and structure.

##### Q: What if I want to buy something you don't have?

A: We accept custom orders for all types of inflatable products.
