#### Frequently Asked Questions

##### Q: Can I continually run my Airblown Inflatable?

A: Yes, you can run your Airblown Inflatable during the day and at night. We recommend that you turn off your Airblown Inflatable when leaving the immediate area and when retiring for the evening.

##### Q: your Airblown Inflatable is designed to run continually as you see fit. Q: What happens if my Airblown Inflatable becomes torn?

A: Rips in the Airblown Inflatable can be sewn by hand (no special thread is required) or taped with clear packing tape.

##### Q: How can I clean my Airblown Inflatable?

A: Wipe clean with a damp cloth and allow to dry before storing away. Use a mild detergent if necessary.

##### Q: When I unplug my Airblown Inflatable, it deflates. Why is this?

A: Your Airblown Inflatable will not stay inflated unless it is plugged in and the fan is blowing air.

##### Q: How much electricity does an Airblown Inflatable consume?

A: It uses about as much energy as a standard string of holiday lights.
