#### Packing and shipping.

We not only pay attention to the quality of our products itself, but we also pay attention to other details, such as packaging over the years. Based on our years of experience, we always provide our customers with the best packaging, we pack our products in heavy duty PVC bags and export standard cartons for blowers/air pumps with our company logo printed on the outside, which can provide a lot of convenience and save a lot of time for our customers, and even avoid wrong delivery or damage caused by careless or wrong operation at the port.

#### Why choose us?

Totally free design for all inflatable products.

We have experienced team and high-tech equipment.

We can make products according to your requirements, such as your size, color, design, and your logo.

We can offer you very competitive price.

Provide photos of the production plan to make sure you know every process. Provide professional one-on-one service and respond to emails within three hours.

We have QC team to check the quality of goods before shipment, and we have earned a good reputation in the world market.
