Product Description

Moon Bounce Obstacle Course Bouncer PVC Inflatable Obstacle Course Rental For Adults

Inflatable Obstacle Course Rental For Adults

Retro Commercial Inflatable Obstacle Course not only entertains the children but it also greatly boosts their energy level by combining a series of challenging interactive sports including running, climbing, jumping, crawling in a single unit. It can be also paired with the other retro 7 elements, rock climb slides or U-turn slides to offer more excitement for the participants.

This 8m long inflatable obstacle course is designed for two people to go head-to-head in a race to the finish line. This will keep participants moving through the line quickly, and allow more people to get a turn on this fun and challenging course. Our Retro bouncy obstacle course is manufactured from 100% lead free 15 oz industrial strength vinyl. It features tear resistant protective mesh walls that allows for supervised viewing and enough airflow to comfort the kids.

A vibrant eye-catching theme, fade-proof materials, multiple layers of patches on high stress areas, up to quadruple rows of stitching, and heat welded seams are some of the features that have made these outdoor obstacle course last for many years to come after everyday uses on a busy rental season. The unit comes complete with an electric blower, anchoring j-hook stakes, storage bags and repairing patches to assist with the setup. It is an ideal addition to all children's parties, picnics, school competitions and leisure activities.
