color	multi color or customized
Payment terms	T/T Western Union
Price terms	EXW, FOB, CFR , CIF are optional

Instruction:

This slide is a mini amusement park.It have 2 castles ,2 slides ,1 bridge between the castles for shuttling and 4 exits.Kids can hide inside the castles or enjoy the fun of the sildes,even those brave kids can climb up to the top of the castles to be a guard.

For slide and castle inflatable toys,the weights are usually a little heavy ,so shiping them by sea is a good choice.If you want to save your money,you can buy 2-3 pieces,then ship them together by sea,the total shipping cost will be very cheap for each.

Advantage:

1. Products Features

High Durability, High Tear Strength, High tensile strength, Flame Retardant, Water proof,Fade proof, Anti-Mildew Treatment, Anti-Static, Excellent UV-Resistant, Cold Weather Resistant, Shrink-Resistant.

2. Workmanship

Hot air welder machine for the entire unit and D-rings as well as ropes for anchorage. Neat stitching, professional stitching machine, durable 12 strand nylon thread which is highly abrasion resistant and rot proof.

3. Sewing style

Double stitching & quadruple stitching; PVC reinforcement strips inside are stitched on all straight seams.

4. Using long time

Overlapping both inside and outside with yellow straps. Then every pieces can hold each other very strongly, so the inflatables could be used over 10 years.

5. More steady

Upper anchor points on back and side of slide part, much enough for tying down the slide and make it more steady.

6. Safty air stop flap

Safe inside air stop flap. Everybody makes an air flap over the air release zip for protection, other than this, we make an additional air flap inside the air release zip, so when there is a sudden cut off of the electricity, it can make the air release slowly, so children will have more time to leave the inflatable.

7. Logo printing

Quality digital printing, Silk printing,hand painting, etc, with protection oil which makes the printing also lead free and UV resistance.

8. Widely application

Parties, amusement park, rental business,school training,festivals, backyard etc.
