Descriptions:

There are 2 kinds of banana boats:regular boats on water and fly fish boats which can fly .

Banana boats:The regular seats we do for a side boat are 2-10 seats.Various designs with customized color and size for you.It is widely used for summer water park sport team game,such as a boats race.

Fly fish boats:The regular seat is 4-6 seats with the same design but different colors.It is quite popular in those countries which own many rivers or sea,esecially hot in the USA.

The material we use for this kind of boat is 0.6 or 0.9mm pvc tarpaulin from the best plato company ,high durability and fire-retardant which can meet SGS standard.Except the best material,our workmanship is also excellent :first,it is a seal job by imported hot air welding machine,which has stable welding temperature so that the item will not be over welded or less welded ,it will be done very durable.Second,the connections(crosses) is possible to get loose,but we will use many reinforce strips to make it strong and will double cover the joints to fromk leak.The last,our technial worker is really has rich experience.There are D-rings at the back for you to use ropes to connect to a motorboat.
