## Descriptions:

Banana boats on water :The regular seats we do for single lane boats with 2-seats,double lane boats with 4-16 seats.It is widly used for summer water park sport team game,such as a boats race

Fly fish boats for sky: The regular seat is 4-6 seats with the same design but different colors. It is quite popular in those countries which own many rivers or sea, esecially hot in the USA. It can be used for a busniess rental, but most widly used for a family or personal use.

The material we use is 0.9mm pvc tarpaulin from the best plato company ,high durablity and fire-retardant .

Except the best material, our workmanship is also excellent :first, it is a seal job by imported hot air welding machine, which has stable welding temperature so that the item will not be over welded or less welded , it will be done very durable.

Second,the connections(crosses) is possible to get loose,but we will use many reinforce strips to make it strong and will double cover the joints to fromk leak.

The last, our technial worker is really has rich experience.
