Product Description

16 People PVC Tarpaulin Inflatable Fly Fishing Boats Giant With Double Reinforces

Descriptions:

Banana boats: The regular seats we do for single lane boat are 2-8 seats, 4-16 seats for double lane boat. Various designs with customized color and size for you. This kind of boats is widely used for summer water park sport team game, such as a boat race.

The material we use for this kind of boat is 0.65/0.9mm PVC tarpaulin from the best Plato company, high durability and fire-retardant which can meet SGS standard. Except the best material, our workmanship is also excellent: first, it is a seal job by imported hot air welding machine, which has stable welding temperature so that the item will not be over welded or less welded, it will be done very durable. Second, the joints are possible to get loose, but we will use many reinforce strips to make it strong and will double cover the joints to prevent leak. The last, our technical worker is really has rich experience.
