Product Description

Outdoor Tractor Run Inflatable Obstacle Course Tractor Equipment Run Inflatable Obstacle Course

Descriptions:

This Soft Airbag Inflatable for Jump composed of 2 parts, a jump tower and a reception airbag are the sensational game of the moment! The 1st part "Escalator" allows the player to climb to 6m to make his jump, to help the player in his climb we sewed large non-slip steps on the climbing cloth, on the side of the climb small straps are sewn into the thickness of the wall to help during the climb. The second part "Airbag" with a diameter of Ø10m, will receive those who are not cold to the eyes. Our airbag is special since it does not need to be adjusted, once set up and inflated it is ready to receive the 1st jumps.

All our airbags are produced according to the highest safety and quality standards. Our airbag material conforms with ASTM, EN71, and other standards. What is more, to avoid mistakes, we will make a 3D design as customers confirm the size, color and print can be changed till they say OK.
