Details:

1, The material is 1.0mm pvc/ptu from Plato chemical which is the best and biggest material supplier in China. The zipper we use is YYK brand. Meantime, it is a heat welded product by hot air welding machine, our machine is imported from Japan which has stable temperature to ensure the ball is very durable without oversealed or miss sealed. Besides, all the products will be done under strict quality control, coz our production manager has been in this field since 1995 and have many experienced workers. So you can get the best quality balls, don't like those inferior balls with cheap material, cheap zipper and no reinforce strips.

2, Widely used for playing center, amusement park, water games, holiday events, swimming pool and seashore scenic spot.

3, We mainly have 5 styles for you to choose: transparent, transparent with colourful strips, single color, mixed-color, soccer Ball .

4, For amusement park on land, people usually put Water Balls in a giant swimming pool for fun.

Our advantages:

- 1, strong and nice welds.
- 2, no electricity required, safe and funny.
- 3, full colors are available.
- 4, can print logos, banners or artworks.
- 5, durable, 2-3 years usage life span.
- 6, easy assemble, move, put it away, in different occasions.
- 7, once broken, it's easy to repair, get it fixed and working again.
- 8, lubricant for T-zip, glue and spare material.
- 9, trusted quantity and a competitive price.
- 10, fast delivery and the best customer service.

Workmanship:

- 1) Reinforcement. We make reinforcements at every weak points like welding seams, inside baffles, corners, connects etc.
- 2) Durable anchor ring. For anchor ring, we use 316 stainless steel material which last longer than other metal in water.
- 3) Durable parts. All our parts like handles, anchor rings are welded instead of glue, it's not easy to peel off.
- 4) Stable Connection System. Bouncia created originally eyelet connection system and anchor ring connection system which make the whole park very stable.

Why choose us:

- 1 More than 10 years professional manufacture experience

- 2 The best service and reply in time
- 3 High quality and competitiveness price
