Details:

About the design, it is very romantic, colorful strings inside. It will look very beautiful if place on a stage or use it for water park show decoration. If you would like, we also can install LED light inside to make it more beautiful at night.

About our water roller, any color and size are available. Here below are some regular sizes just for your reference: 2.8*2.4m , 2.4*2.2m, 2.2*2m, 2m*1.8m, 2.6m*2.2m.

Normally, most clients would buy several pieces at a time. Meantime, they also will buy some water balls and bumper boats. Then you can put them together if you have a pool, as well can deliver them by sea which is much cheaper for freight. If you don't have a pool, you can also buy a inflatable pool.

Advantages:

- 1 All the material is from PLATO CHEMICAL ,the best and biggest material supplier in China.
- 2 All the water items are sealed by advanced hot air welding machine imported from Japan which has stable temperature to ensure the goods not over sealed or less sealed,so we can offer you very good jobs.
- 3 Any logo ,color,design available.
- 4 The material will be cut by machine not by hand,so we can offer you a fast delivery.
- 5 Durable, soft playing feeling,repairable.
- 6 Easy assemble, move, put it away, in different occasions.
- 7 Once broken, it's easy to repair, get it fixed and working again.
- 8 Come with pump , glue and spare material.
- 9 8000 workshop ,advanced imported machine and best quality accessories.
- 10 Before shipping,all the items will be tested strictly to make sure it work well.

Applications:

inflatable water roller can be widely used as summer water park, water game parks, sun cold paradise amusement water park,

for outdoor use, or other purposes.
