Descriptions:

It is something like playground,the front part is a obstacle course were can jump and go through of them.As it has 2 entrances,so kids can have a race from the starting to ending to see who will first finish the journey.Besides,there are many cute digital cartoon character printings on it,kids must love them.

About the shipping,most clients would buy 2-3pcs at a time,then shipping them together by sea,which will save much money on shipping cost for each one.

Besides,all the items can be customized including the material,size,design,logo,printing and so on.So if interested ,please feel free to tell us your requests,we will make you best inflatable with a good price.

Advantages:

- 1 The brand of the material we use is PLATO CHEMICAL which is the best and biggest material supplier in China.
- 2 All the items will be finished by double stitching or sealed ,and all the key areas will be reinforced
- 3 Any the items can be customized,including material ,size ,logo ,printing ,design and so on
- 4 The material will be cut by machine not by hand,so we can offer you a fast delivery.
- 5 More than 10 years' production experience and many rich-experienced technical workers,so you can get best quality goods.
