Describe

This model is inflatable funny obstacle course in the outdoor .it contain big side,tunnel ,obstacle ,printing etc.it is very interesting inflatable product for kids and adult.

The material is 0.55 mm PVC tarpaulin ,water proof and fire retardant. Size is 12m(L)*6m(W)*4m(H).and If you want other size ,it is no problem.it can be customized according to your requires.Workmanship is double and quadruple stitching ,every important connect part will be reinforced.tje quality is very good and workling life is more than 3 years

If you are interested of this products ,please feel free to contact with us .you tell us what about your requires or need change part ,such as size,color ,printing patters etc.If you not transportation agent in China,we suggestion the shipping way by sea is better.because it more weight and big of package size. If you urgent.by air or by express is ok.but the price will more expensive than by sea.

why choose us

- 1,We can provide the most competitive price to you and control the quality easily because we have our own factory.
- 2,We have a group of professional technicians and exported hi-tech equipments.
- 3,The design can be customized and your all kinds of logo is available .
- 4,Each of our products has 3 layers (2 pvc coated side with a strong net inside).With fourfold stitching at bottom stress point. Double stitching inside and double stitching outside to make sure the inflatable slides are strong enough.
