Descriptions:

The original size of this zorb ball is 3m in diameter. It is different from normall zorb ball,it is decorated with glow inside. Compared to other shinning led light zorb balls, this one is much cheaper and it also looks very beautiful at night. It is not only can be used for decoration but also for playing.

There are handles and safty belts to ensure the safty. Meantime,you can custom it with one entrance or 2 entrances.There are hundreds of D-rings to form a double-layer ball, flexible and durable.The regular size we offer is 2m inner+3m outer ,which can hold 2-3 persons inside at the same time.

Regading the shipping, most clients would buy several pieces and ship them together by air or by sea, the the shipping cost for each one will be very cheap. But for personal use, all the clients would ship it by express, fast, cheap and convenient.
