FAQ:

Question 1. What are the differences between sewn inflatable items and sealed items?

Answer: Inflatable sewn items need constant blowing. The Sealed items is processed by heat welding technology and only need one time blow up. Usually sewn items are lower costs than Sealed items.

Question 2. Can I have custom design with personal company logo?

Answer: For all our inflatables, the customized logo is available. And we will confirm the design with you before production, so you will surely get what you want for actual use, just offer us picture in any format made by PDF or Adobe Illustrator

Question 3. What material??

Answer: Inflatable games is made by PVC Tarpaulin. The Flame Retardant is suitable for EN71

Question 4. How long will it take to produce?

Answer: It all depends, large quantity will need more time. We will get start with the design once received the deposit. After the design is confirmed, we will arrange the production. Usually, the production will take about 5~10 days. (Exception for urgent order)
