Descriptions:

This is house inflatable small bouncy for kids. it is suitable for 1-2 kids to play at the same time

Here below are the detail information about this model:

- 1 Material : 210D oxford fabric coated PVC, water proof but not fire retardant. It is very light, you can remove it by one person.
- 2 Size: 3m(L)*3m(W)*2.5m(H). If you need big size bouncy castle, such as 4 by 4 etc. the material need PVC tarpaulin. because big size bouncy will easy broken if use material. of course the price will more expensive than oxford fabric
- 3 Printing patterns : Color as the picture, if you not favorite, you can choose other colors. besides, if you have printing file (Ai format), the printing theme can be customized according to your requires.
- 4 Set up : only turn on the blower, within 3-5min, it will automatic set up. it will fastest. When blower working, please let your kids keep away from the blower
- 5 Package : Turn off the blower. when you found not air inside the bouncy. you can roll it and put in a bag
