Descriptions:

- As for this bubble tent , It is made of 1.0mm clear PVC, You know , all our materials are purchased from best supplier , Plato factory , good quality and durable . PVC can be waterproof and strong ,the light transmission is very good , suitable for outdoor party ,exhibition ,meeting or others , besides , you also can choose other colors , such as green , red , yellow , purple , blue , with CE,EN14960,SGS,EN71,ROHS certificates .
- Workmanship :1) It is noncontinuous / airtight type , Welding hot air by high frequency machine ; 2) As it is double layers ,with many strong ropes connecting D rings on two sides to form a air layer ,about 6500 D rings ; 3)In order to make it stable and safe , we usually install some D rings at the roof and the bottom of outside the tent as an anchor to fixed it to the floor , The inner also needs to install some D rings to hang LED lights ; 4) reinforce welding at the joint part
- As for this bubble tent , It is airtight type , you only need to inflate it one time by using air pump connecting electricity .
- As for fixing the bubble tent to the ground , we will install enough D shaped rings at the top and bottom of the tent , you can use some ropes to fix it , to make it enough steady . Besides , don't worry . It is very heavy , so it is difficult to blow it away .
- As for shipping , If you need it urgently , by express is good choice , If you don't need it urgently , by sea is very good . For package , we usually make a bag with PVC tarpaulin , then put the bubble tent in the bag .
- As for payment , we have TT , western union , moneygram and paypal , generally , we receive 50% deposit and we will arrange the production , when finished , we will take some photos for your confirmation , if it is okay , you can pay the balance and we will ship it out .
- For Inflating , you only need connect air pump with valve and turn on the air pump , then it can be inflated within 10 minutes . For deflating , you need to open the valve to make it deflated .
- For all the inflatable products (not including accessories) , Our warranty time is generally 1 year .Within one year , if there is any quality problem , our factory will take the full responsibility to get it re-work , If failed , we will make a new one for you . Actually , when it is broken , it is easy to get it repaired , you only need to use the spare material and glue
- Dear friend , if you are interested in this bubble tent , pls let us know the size , color , logo you need , so that we can offer a good price , thank you .

Advantage:

- Cheap price and good quality
