Descriptions:

This is outdoor amusement park with big slide .Here below are the details information about the model.

1 Material : the best Plato 0.55 mm PVC tarpaulin ,water proof and fire retardant have CE,EN71,EN14960 etc certificate.Plato is the best material factory in China,

2 Size: 8m(L)*5m(W)*4m(H). If the size is not suitable for you . it can be customized according to your requires

3 Workmanship :double and quadruple stitching ,every important part will be reinforced ,such as connect part ,D-ring etc.So the quality is very good, it is no problem that working life is more than 3 years for normal used.

4 Structure :sewn ,means by stitching ,need blowers working all the time to provide a constant air .We also have airtight structure, means by hot air welded ,once inflated can last for a period of time .but it will more expensive than sewn products.

5 Inflate time :Only turn on the blower,it will automatic set up .and the inflate time about 3-5 min,it is very fast.

6 Package :Turn off the blower,when not air inside,you can roller and put it into a bag.

7 Shipment:If you have no transportation agent in China, we will help you for shipping. By sea is the best way, because the weight and package is very heavy, it will cost much more money for shipping if by air or by express .If you urgent,by air or by express is ok.

Workmanship:

- 1) Double stitching inside and outside;
- 2) Quadruple stitching for stress-bearing parts and joint parts;
- 3) Nylon/pvc tarpaulin webbing reinforces for some parts;
- 4) Full-digital printing protected by a liquid protection film;
- 5) Enough zipper outlets to deflate the games quickly;
- 6) Reinforcements for zipper joints; zipper cover with Velcro to disperse the stress for zipper;
- 7) Enough anchor/D-rings to keep stability and safety under use.

How to Pay:
