#### Applications:

Inflatable water parks can be widely used as summer water park, man-made small river,and water game parks, sun cold paradise amusement water park, for outdoor use, rental or resell business.

#### Descriptions:

Inflatable water park is the world's famous popular mobile water park which is very safety used on the land. It is made up of two components: inflatable water slide and inflatable swimming pool.Both of children and adults will find there is a lot of fun when they playing inside it. We can swimming in the pool,climbing on the mountain then sliding down from the top. Otherwise, we will find that it is so miraculous we can play a lot of water floating toys in the big pool. Such as water totter, iceberg, water trampoline, inflatable water obstacles course and so on. Welcome you contact us to get more details about it.

#### Our advantage of inflatable water games:

- 1) We make reinforcements everywhere for the big water park, the connection between items of the park are durable eyelets, the structure can make the giant water park connect very stable.
- 2) We install high quality air relief valve from UK on all the items of this water park, so the items can release air to a safety level automatically when the air pressure getting higher.
- 3) We use thick and big stainless steel anchor ring with durable anchor pads at the bottom of the inflatable
- 4) Material: We use best 0.9mm or 0.6mm PVC tarpaulin for water games.  
the best material is very important for the games. All inflatable games of Topfun are made by high durability fire-retardant PVC Tarpaulin, which has 3 layers, two coated side with a strong net inside. The flame retardant meet BS7837. Our material has improved by the SGS.
- 5) Hot welding machine: For the sealed water game, it is very important for the welding well. We have advanced welding machine and the best workers in inflatable industry.
