Why choose us?

1. 0.9mm PVC Tarpaulin :

Its thickness has 0.4mm , 0.45mm , 0.55mm . 0.6mm and 0.9mm , this set of water park is airtight system , we usually use 0.9mm in thickness , best quality .

PVC Tarpaulin itself contains 3 layers , double sides coated with a strong net inside , it is so strong that you can't tear it off .

2. Warranty : This inflatable water park will be guaranteed for 2-3 years , in this warranty period , If there are any quality problems , we would take full responsibility for getting it re-worked , if failed , we promise to make a new one for you .

3. 35x21m inflatable water park : It contains 18 pieces in total . We send you 4 air pumps for free .

4. System : This Inflatable Water Park is airtight system , it means that it only needs to be inflated one time with air pump connecting electricity .

5. All our products are OEM . Different model , size , color , logo can be customized .

Advantages :

1. Welded strongly with high temperature machine and some experienced workers . Besides , reinforced a extra strip on all seams , stronger and more durable .

2. Intalling reducing pressure valve . When your temperature is very high to some extent , this reducing pressure valve will make the product deflated automatically , in case of the product would blast because of the high temperature .

3. All our materials are purchased from Plato factory , Wubit special material -- Wubit 0.9mm PVC Tarpaulin , more expensive than general 0.9mm PVC Tarpaulin . We can send you some materials for your testing .

4. Strong D rings and handles , it is very difficult to tear them off .

5. How to Buy this inflatable product:

The process as follow:

- 1.Tell us the Items model and quantity you order. we make a PI for you. Then You pay the down payment 50% of the total amount to our company account .
 - 2.After we receive the down payment, we will produce the goods for you.
 - 3.Once we finish the products , we will send you the photos to check and confirm.
 - 4.If everything is ok, you pay the balance amount.
- After we receive the balance amount, we will arrange shipping for you.
